

## **EMISSION CLASSIFICATION OF BUILDING MATERIALS**

### **Sto Finexter Oy**

The classification working group set up by The Building Information Foundation RTS has approved the following product:

#### **StoFloor ESD WB 110 system:**

**StoPox WG 100**

**StoDivers LB 100**

**StoPox WL 110**

**StoPox WB 110**

as belonging to emission class M1 for building materials.

The classification is valid until 20.8.2024.

Sto Finexter Oy has the right to equip its classified product with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2018 and the Classification of Building Materials: General Rules.
